HANCOCK HISTORICAL MUSEUM & CRACKER BARREL & DIETSCH BROTHERS ICE CREAM

WHEN: Thursday, March 31, 2022

DEPART: 9:00AM

RETURN: 4:00PM

COST: \$23 (meal & ice cream extra)

NEW TRIP: Registration begins Mon., Dec. 13, 2021 @ 8:30AM

Join us while we visit our Findlay neighbors on this trip! Our first stop is the Historical Museum—their new building houses cars made in Findlay, Ohio! The museum began with the acquisition of the Hull-Flater House at 422 W Sandusky St. Findlay, and first opened to the public in 1971. The house was built in 1881 by Jasper Hull, co-founder of the Findlay Artificial Gas and Light Company, and was one of the grandest homes of the day. Today, the home serves as the welcoming “front porch” of an expansive development that has grown to nine facilities. After our do-cent led tour, you will have a little free time for the gift shop. Then off to Cracker Barrel for lunch.

Last stop is Findlay’s Dietsch Brothers Chocolates and Ice Cream. The history of the store began in the last 1920’s when Edward Dietsch purchased the C.W. Wickham Candy Co. Unfortunately Edward & his wife both passed away at a young age and the business was forced to close. December 1937 Dietsch Brothers, as you know today opened with the brothers Chris, Don and Roy. Extended family ran the business during WWII until the brothers returned home. Times were tough, sugar was rationed, they worked long hours, family members & their wives helped pack candy during the holidays. The business is still family owned and operated.

Dietsch’s is very well known in Northwest Ohio for their delicious chocolate and ice cream!! You will be able to purchase Easter Candy from Dietsch’s at the time of this trip.

Come join us—fun people, good food and very interesting tour!

IMPORTANT TRAVEL MESSAGE—“Unknowns”

Travel, at least for now comes with plenty of unknowns. Travel groups, because of COVID, lack of workers, state and local guidelines, etc., situations change. Venues we thought would be open could be closed and also venues we thought were closed could open up! We want travelers to know the trip may not always go exactly as planned. We will always work to make sure even with today's unknowns, we are doing everything to make sure you have the best trip possible. We will always replace a venue with an equal or better option. Rest assured I am in constant conversation with the vendors. If substitutions ever have to be made—**WE THANK YOU FOR YOUR PATIENCE AND UNDERSTANDING. Be sure to always bring your face mask (just in case)!**
